Certificate of Registration as a Psychological Test

This is to certify that the English language version of **General Intelligence Assessment** has been audited against the technical criteria established by the European Standing Committee on Tests and Testing of the European Federation of Psychologists Associations.

It is hereby certified that **General Intelligence Assessment** meets the minimum psychometric requirements for use as a psychological test.

This Registration has been granted by the British Psychological Society's Psychological Testing Centre in good faith on the basis of documented evidence provided by the publisher of **General Intelligence Assessment**, which has been subject to independent evaluation. Full details of the audit and evaluation process can be found on the Psychological Testing Centre website: www.psychtesting.org.uk.

This Registration does not constitute a recommendation of use. Responsibility for the appropriate and proper use of **General Intelligence Assessment** and the information provided by it rests solely with the test user. When published by the Society's Psychological Testing Centre, the independent review of **General Intelligence Assessment** should be consulted by test users for detailed evaluations.

This Registration was granted on 16/06/2021 and is valid until **26/04/2026**.
